STUDENT REPORTS AND INTERVIEWS

On Monday 25th June, your child will be bringing home their Communication Book which will contain samples of the work your child has completed throughout the term, as well as their Semester One Report.

Please take the time sit down with your child and look at all the great work they have completed this term and also read through your child’s report with your child, and then write a comment on the appropriate page. This is a great way to acknowledge the importance of this reporting format and to help your child see that their learning is valued.

On Tuesday 24th and Thursday 26th July, which is during Week Two next term, we will be holding our Student Learning Interviews. These interviews are a very important part of our reporting process and will allow your child’s teacher to highlight what your child is currently achieving and also to outline your child’s learning goals for the remainder of the year.

Please complete the attached Student Learning Appointment Time Slip and return it to school as soon as possible to ensure your preferred appointment time is booked in.

SAKGP PLANNING MEETING

Tomorrow, Friday 22nd of June, we will be holding a Stephanie Alexander Kitchen Garden Program planning meeting in the staff room, which will begin with a cuppa at 9:30am.

It would be great to see as many parents as possible attend this meeting, as there is still so much planning to do.

The key focus will be to plan and organise a construction working bee for both the kitchen and the garden.

YEAR 3-6 CAMP

Our Yr 3-6 Melbourne Discovery Camp will be held from Wed 7th to Fri 9th November. A notice was sent home today outlining a payment plan for families to assist in budgeting for this event.

If you haven’t returned your initial expression of interest form and deposit of $20.00, please make sure you do so as soon as places are limited.

Kind regards,

Cindi Bruechert
