## Personal mobile phone use

In accordance with the Department's [Mobile Phones — Student Use Policy](#) issued by the Minister for Education, personal mobile phones must not be used at Heathcote Primary School during school hours, including break times, unless an exception has been granted.

Where a student has been granted an exception, the student must use their mobile phone for the purpose for which the exception was granted, and in a safe, ethical and responsible manner.

## Secure storage

Mobile phones owned by students at Heathcote Primary School are considered valuable items and are brought to school at the owner's (student's or parent/carer's) risk. Students are encouraged not to bring a mobile phone to school unless there is a compelling reason to do so. Please note that Heathcote Primary School does not have accident insurance for accidental property damage or theft. Students and their parents/carers are encouraged to obtain appropriate insurance for valuable items.

Refer to the Department's [Claims for Property Damage and Medical Expenses policy](#) for more information.

Where students bring a mobile phone to school, Heathcote Primary School will provide secure storage. Secure storage is storage that cannot be readily accessed by those without permission to do so. At Heathcote Primary School, students are required to store their phones at the main office in a secure location. Students are required to switch their phone off, hand it into the office upon arrival and collect it at the end of their school day.

## Enforcement

Students who use their personal mobile phones inappropriately at Heathcote Primary School may be issued with consequences consistent with our school's existing behaviour management processes. This includes asking the student to hand over the item(s) until the end of the day.

At Heathcote Primary School, inappropriate use of mobile phones is **any use during school hours**, unless an exception has been granted, and particularly use of a mobile phone:
