

HEATHCOTE PRIMARY SCHOOL

Dear parent/guardian,

Heathcote Primary school is looking forward to another great year of teaching and learning and would like to advise you of.....'s voluntary financial contributions for 2023

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for your support. This makes a huge difference to our school and the programs we can offer.

Our school currently provides all student classroom requisites for the start of the year, this is a school council decision made yearly. Within our school this support has allowed us to implement and continue to offer our students an opportunity to participate in a number of programs such as the Stephanie Alexander Kitchen Garden program, Speech Pathology, STEM, Heathcote in Harmony, Extravaganza music performances, the Dogs Connect program, as well as providing additional technology equipment, maintaining the school bikes for students to use during the school day and many additional classroom resources to enhance your child's educational experience.

There are three components of our payment request:-

- **Curriculum Contributions**
- **Other Contributions**
- **Extra Curriculum Items & Activities**

You will need to fill in the total amount you are paying for each area

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

HEATHCOTE PRIMARY SCHOOL
