Issue No. 35

21st November 2025

At Heathcote PS we value... Respect Learning Teamwork Responsibility

We acknowledge that we are on the traditional lands of the Taungurung people and we pay our respects to their Elders, past, present and emerging.

2025 - What's Happening?

Week 8	Monday 24th November	Curriculum Day — Student Free Day
	Tuesday 25th November	2026 Foundation Transition #4 (9:15am—11am) Whole School 'Step Up' morning #2 (9:15am—11am) Grade 5/6 Bendigo Community Health session #2
Week 9 & Week 11	Tuesday 2nd December, Monday 15th December to Thursday 18th December	Swimming—Group 2 (Foundation, Grade 1 & 2 students)
Week 9	Wednesday 3rd December	Grade 6 Celebration excursion (details home 21/11/25)
	Friday 5th December	Christmas Concert—Save the Date! (in the afternoon during school hours, details to come)
Week 10	Tuesday 9th December	Whole School Transition Day
	Thursday 11th December	Grade 6 Graduation (after school, details to come)
	Friday 12th December	F-2 excursion (details home 21/11/25)
Week 11	Friday 19th December	End of Term 4. Early Dismissal @ 1:30pm

2025 - What's Due?

F—2 swimming consent and swimming level forms	'Get to Know...' transition form
Grade F-2 end of year excursion permission note	Friendship Hand transition page
Grade 6 end of year celebration permission note	

CIVICS AND CITIZENSHIP AWARDS

<u>TEAMWORK</u>	<u>RESPECT</u>	<u>RESPONSIBILITY</u>	<u>LEARNING</u>
Jackson C Ace Kadir Nathan Xavier	Amelia E	George J Logan Miles Alexandra Rachel Charlotte H	Jaxon Occy Mason

Charlotte H - Responsibility Award for showing responsibility when asked to complete a task.

Jackson C - Teamwork Award for encouraging others.

George J - Responsibility Award for being a great role model for other students.

Jaxon - Learning Award for being prepared to have a go.

Occy - Learning Award for staying focused on learning.

Miles - Responsibility Award for being a great role model for other students.

Amelia - Respect Award for being polite and well-mannered to other people.

Logan - Responsibility Award for being a great role model for other students.

Mason - Learning Award for showing great improvement.

Ace - Teamwork Award for encouraging others.

Rachel - Responsibility Award for showing responsibility when asked to complete a task.

Nathan - Teamwork Award for considering other people's feelings.

Kadir - Teamwork Award for encouraging others.

Xavier - Teamwork Award for communicating well with the teacher.

Alexandra - Responsibility Award for showing responsibility when asked to complete a task.

Awards are presented at our weekly whole school assembly on Friday

These awards were presented at assembly on 21/11/25

****Assembly starts at 2:30pm****

JUNIOR UNIT

Zoooper Dooper Fundraiser

WHEN:
1:30-1:45PM

\$1.00 EACH

WHERE:
TURF AREA

EVERYDAY DURING WEEK 7, 8 AND 9.

AT 2ND BREAK BEFORE THE FROG NOISE ALL STUDENTS CAN PURCHASE A ZOOOPER DOOPER FROM A JUNIOR UNIT MEMBER OR A PEER MEDIATOR.

MONEY RAISED GOES TO OUR JUNIOR UNIT LITTLE LEARNERS LOVE LITERACY BOOK RESOURCE COLLECTION

Thank you for supporting the Zoooper Dooper fundraiser with such enthusiasm.

We have been lucky enough to raise approximately \$300 in the first week.

Money raised will be used to purchase decodable texts for the literacy program.

Principal's Report

Week 7 brought us a little bit of everything—a whole school incursion courtesy of Mandalay Resources, an excursion for Grade 6s, Zooper Doopers, the Macarena performed by 1/2JS and three tawny frogmouths! Our focus on literacy and numeracy continued alongside these events along with our specialist subjects. We received our School Performance Report earlier this term which celebrates and recognises our improved learning results. Congratulations and thank you to our staff and students for their hard work and commitment achieving these results!

There was much excitement in the yard on Monday when “brown fluffy things” were spotted in a tree by junior students. Seeing and hearing the joy and wonder of our students was a highlight of my week. We

looked from a distance before leaving nature in nature, one of our expected behaviours on the HPS behaviour matrix (see p12).

After a visit from Mandalay Resources, our junior geologists spent their break times eagerly fossicking for rocks and minerals. My thanks to Natasha, Stevie and Braden for spending part of their Thursday teaching us about their roles. Please see pages six and seven for student reports.

The Zooper Dooper fundraiser is proving to be a very popular one. So popular, that we have raised approximately \$300 in one week!

We're grateful for the support with all money raised going towards the purchase of decodable texts for our literacy program. We were also fortunate to receive a donation earlier in the year and the second lots of new books have now arrived. There are some eager readers looking forward to reading them!

Heathcote Primary School
Respect ~ Learning ~ Teamwork ~ Responsibility

Learning—Mandalay Resources Visit

Drawing by Aurora, 1/2M

Drawing by Ben, 1/2M

On Thursday, Natasha, Stevie and Braden from the Costerfield Gold Mine visited the school. Natasha is the community office and introduced us to Stevie and Braden and why they were visiting. Stevie told us about her job as a mining engineer and explained that she is basically a Minecraft character but in real life. They use explosives to break the rocks and special equipment to dig. We watched two different explosions happen on the screen and everyone thought it was really satisfying to watch. Braden explained that he is a geologist and he uses a magnifying glass to look for the gold in rocks to help figure out where they need to dig. He told us that they mine for antimony as well as gold and explained that antimony is used to make computer chips. Braden showed us his pick axe and told us that the flat end is for hitting rocks and the pointy end is for digging dirt. He showed us some rocks that had gold ore in them and let us have a closer look by passing two around. He also talked about fossils and what kind of things can turn into fossils. He even showed us some fossil poo! It was disgusting. The grade 1/2s and their teachers really enjoyed the presentation and learned a lot. Zali, our Auslan teacher, came in at the end and taught the whole group some signs related to mining. It was all pretty cool!

Written by Mrs Mac and 1/2M

Drawing by Jack, 1/2M

Drawing by Ace, 1/2M

Learning—Mandalay Resources Visit

Drawing by Creed, 1/2M

Drawing by Zara, 1/2M

Natasha, Mandalay Resources' Community Officer, brought her two special friends, Stevie and Braden, to Heathcote Primary School. They work at the Costerfield Mines. They are known as a gold mine and they also mine antimony which is used for making gold and computer chips for phones, play stations, iPads and computers. Pretty much all devices have antimony.

Stevie is basically Minecraft in real life! She digs through caves and puts explosives in then explodes things so it's easier and it breaks up the rocks so they can dig it up and find gold. A machine digs up the dirt then they put it in a dump truck and take it back to base so they can look for gold. Everyone mines around the clock at all times.

Braden's job is a geologist and breaks down rocks so Stevie and her team can do their job. He brought in rocks with gold, and he also tells people where to mine and where the gold may be found.

Drawing by Liam, 1/2M

Learning—Tech Schol Excursion

On Friday 21st November, the Year 6s went to Bendigo Tech School at La Trobe University for a transition to Year 7 excursion. While we were there, we participated in three different activities. During the first activity we programmed robots to draw pictures on whiteboards using coding.

Our second activity involved us learning how to film and edit a video using a green screen. We filmed ourselves answering some questions about primary school in front of a green screen and then edited the video to place a brand-new background behind us.

During our last activity, we were using iPads to control robots again. This time, we had to control a new type of robot called a 'Codey' where we could code it and control where and how it moved. We were challenged to get the robot through a maze or to create our own movements.

Written by Miss Matthews, Angus, Blair, Malachi and William

Heathcote Primary School
Respect – Learning – Teamwork – Responsibility

Learning—Tech Schol Excursion cont.

My favourite part of the excursion was the green screen activity. Malachi

I liked coding the robots. William

The robots were fun! Blair

My favourite part was the last activity and trying to get my robot through the golf course maze. Angus

Cooking

In Semester 2, Grade 3/4N and Grade 5/6MG participate in a weekly cooking session as part of the Stephanie Alexander Kitchen Garden program. Grade 3/4HS and Grade 5/6SB participated in Semester 1. In the non-cooking semester, students attend a weekly Garden session.

Cooking - Year 5/6

School Wide Positive Behaviour Support

AIP Goal 2: To improve student engagement and wellbeing outcomes

Action: Introduce School Wide Positive Behaviour Support program

Our expected behaviours matrix is displayed in all learning areas and the main office. Our values cards are earned by students when they demonstrate expected behaviours. Student leaders collect and count the values cards each week at their leadership meeting and all values cards earned in the week are placed in a tub with two winners randomly drawn out at assembly, earning themselves a 'values voucher'.

Congratulations to this week's winner, Sophia and Amelia BP.

Expected behaviour:

We follow classroom expectations

Classroom expectations apply in all learning areas, including the kitchen. The kitchen has its own unique set of expectations. After cooking up a storm, students share a meal together...followed by doing the dishes!

HEATHCOTE PRIMARY SCHOOL RESPECT • LEARNING • TEAMWORK • RESPONSIBILITY

Classroom Placement Requests

Classroom placement requests closed on Friday 31st October 2025. Please note that submitting a request does not guarantee that it will be able to be met.

You can read about our classroom placement policy [HERE](#)

Preparing for 2026—Key Transition Dates

Foundation 2026 Transition Program:

- Five sessions, starting Friday 17th October (all dates listed on page 11).

Early October:

- Students and staff reflect on the strengths of Heathcote PS's transition program and identify areas that could be improved. (Family feedback was sought in Term 3 through the Parent/Guardian/Caregiver survey 'positive transition' questions).

Late October and November:

- Multiple opportunities for students to spend time with their 2026 cohort. These sessions will align with the 2026 Foundation transition session dates and times from Thursday 30th October onwards.
- Foundation—Grade 5 students 'step up' into their 2026 year level for the morning and spend time with their new cohort (but not necessarily in their 2026 grade). These experiences provide an opportunity for students to get to know people who might be in their 2026 grade and work with different teachers. Grade 6 students spend the time completing their own transition program along with organising their graduation.

November:

- Students asked to nominate five friends they would like to have in their 2026 grade. Students will be guaranteed at least one person from their list (but not necessarily all five). Families invited to complete this list with their child/ren. **DUE: 21/11/25**
- Families invited to complete a 'Get to Know....' one page profile about their child/ren. These will be shared with 2026 classroom teachers before the statewide Transition Day on 9th December. **DUE: 21/11/25**
- Share transition information (both within HPS and between primary and secondary schools, kindergartens and HPS)

December:

- **Monday 8th December:** Students find out their 2026 class and teacher/s.
- **Tuesday 9th December:** All students spend the day in their 2026 grade with their classmates and teacher/s. Grade 6 students (Year 7 in 2026) attend a statewide transition day at government secondary schools.

Heathcote Primary School Foundation 2026 Transition Program

Inviting all 2026 Foundation students to join us for a series of transition visits as part of preparing for future school life.

Friday 17th October, 9:15am – 10:30am

Thursday 30th October, 9:15am – 11am

Friday 14th November, 9:15am – 11am

Tuesday 25th November, 9:15am – 11am

Tuesday 9th December, 9:15am – 12pm*

Please bring a fruit snack, drink bottle (with water) and broad brimmed hat.

*Lunch required for the longer day

Heathcote Primary School
Respect – Learning – Teamwork – Responsibility

Phone: (03) 5433 3090

Email: heathcote.ps@education.vic.gov.au

Families are invited to join us for a cup of tea / coffee and biscuits on **Friday 17th October**.
An opportunity to ask questions and meet fellow families.

Transition

Heathcote Primary School
Respect ~ Learning ~ Teamwork ~ Responsibility

Our Transition Program is in full swing to help prepare students for school life in 2026. As described on page 10, there are additional processes and opportunities for student and family input. The information below was sent home last week along with hard copies of the 'Get to Know' and 'Friendship Hand' documents. Information was also shared with students at assembly on Friday 14th November 2025.

Families are invited to please complete the 'Get to Know....' student profile and return to school by Friday 21st November.

The purpose of this document is to provide an opportunity for families to share key pieces of information with their child's 2026 teacher/s before the statewide transition day on Tuesday 9th December. This information will be discussed early in Term 1 at a partnership meeting between home and school (similar to the Partnership Powwow meetings in 2025).

An electronic copy will be shared via Compass. Please use whichever version suits you best. For any copies completed electronically, please email to carolyn.crowther@education.vic.gov.au

Families are invited to work with their child/ren to complete the Friendship Hand. This is an optional task that your child/ren can complete. The information will be used to help inform grade placement. **Please note that students will be placed with at least one person from their hand. It is highly unlikely that students will be placed with all five people.**

Please return completed forms by Friday 21/11/25

Additional copies of the forms are available from the office. Thank you for the forms that have already been returned.

<p align="center">GET TO KNOW</p> <p align="center">_____ (Your child's preferred name at school)</p>		 Heathcote Primary School Respect ~ Learning ~ Teamwork ~ Responsibility

Coming Soon!

Heathcote Primary School Online Silent Auction

HPS is holding an online auction. It will be launched on Friday 5th December at the Christmas Concert and run until Friday 12th December. The Auction is to raise money to acquire wonderful new resources for our school. We also hope that it helps people with their Christmas shopping! All successful bidders will be notified from Monday 15th December 2025.

If anyone in the community would like to make a donation, please contact the school via email heathcote.ps@education.vic.gov.au. If you are a business, please include your logo and website so that we can publicly thank your business in our school newsletter and on the school Facebook page.

Any donations will be very much appreciated.

Thankyou,

HPS Auction Committee

Community

Heathcote Primary School

Yard Supervision

The school yard is supervised from 8:45am until 9am. There is an announcement at 8:45am to signal classroom doors are open. Students are able to put their bags in their room, complete any before school routines and monitor jobs before heading back outside to play. The hospital end of the oval and playground are out of bounds before school.

After school, staff are on bus and crossing duty (which includes carpark duty in the main carpark). The main yard is not supervised. Any students who have not been collected by 3:15pm are taken to the office.

After school care is available through Trinity Academy. A bus from Heathcote PS drops after school care passengers at Trinity. For bookings, please contact Trinity Academy on [\(03\) 4411 6803](tel:0344116803)

Breakfast Club

Tuesday & Friday

8:40am—8:55am

HPS Kitchen

Toast, cereal, milk, fruit available

From September to April, everyone needs to wear a plain coloured, broadbrimmed hat when they are outside. This is part of our SunSmart policy. If you need a hat, the office has got you covered...literally! School hats can be purchased from the office for \$10.

Basketball Clinic

Tuesdays

Weeks 6, 7, 8 & 9

All students will have the opportunity to participate in a basketball clinic as part of PE lessons. This opportunity comes to us through the sporting schools grant (and Mrs Skipper who has organised it for us all—thank you!)

Newsletter and website article: Schools in Category 3 on the Bushfire At-Risk Register and the Category 4 List

This article has been developed by the Department of Education for schools to publish in their newsletter and school website.

This information has been developed to answer frequently asked questions regarding the Bushfire At-Risk Register (BARR) and Category 4 list and our school's closure on a Catastrophic fire danger day in your fire weather district.

School preparations for the bushfire season

Each year, we undertake a range of activities to ensure the safety of our school and to prepare for bushfires and grassfires.

An important part of this process is communicating to parents what will happen when certain fire danger ratings are issued to help ensure the safety of students and staff.

Our school has been identified as being at risk of bushfire or grassfire and is a **Category 3 school.**

Our school will **close** on a day forecasted as **Catastrophic fire danger rating** in **Northern Country fire district**.

Closure of the school due to a Catastrophic fire danger rating will be enacted when the Bureau of Meteorology forecast and related public safety messaging are confirmed. Due to uncertainties in the forecast, the timing of this confirmation may vary. Information regarding potential or confirmed Catastrophic fire danger days will be communicated to you by **Compass and post on the school's private Facebook group**.

It is also important to be aware that:

- No one will be on site on days where the school is closed due to a forecast Catastrophic day.
- All bus routes that travel through the Catastrophic area will be cancelled.
- School camps will be cancelled if a Catastrophic fire danger rating day is forecast for fire weather district in which the camp is located, or if the travel involves passing through areas that have Catastrophic fire danger.

As part of preparing our school for the fire season, we have updated and completed our Emergency Management Plan which includes an identified 'Shelter in Place' location if needed. We have also continued to maintain the school grounds to reduce the fuel load.

What can families and the school community do to help us prepare?

- Ensure we have your current contact details, including your mobile phone numbers.

- Keep in touch with us by reading our newsletters, checking our [website](#), by talking to your child's teacher or any other member of the teaching staff about our emergency management plan.
- Make sure your family's bushfire survival plan is up-to-date and includes alternative care arrangements if our school is closed due to Catastrophic fire danger. Further information can be found on the [CFA's website](#).
- Action your family's bushfire survival plan if your own triggers are met. Our school community may be spread out across many areas and some families may be at higher risk than others. Your family's safety is critical, so please let us know if you are actioning your bushfire survival plan and if your children will be absent on these days.
- If your child is old enough, talk to [them about bushfires](#) and your family's bushfire survival plan.

Families are encouraged to action their [Bushfire Survival Plan](#) on Catastrophic fire danger rating days in their district. The safest option is to leave the night before or early on the morning of the Catastrophic day. **On such days, children should never be left at home alone or in the care of older children.**

You can find more information on emergencies, warnings and preparedness actions here:

- [VicEmergency](#) app – that can be downloaded on your android and iOS mobile devices
- [VicEmergency](#) Hotline (1800 226 226)
- Website <https://emergency.vic.gov.au>
- Facebook (<https://www.facebook.com/vicemergency>)
- Twitter (<https://twitter.com/vicemergency>)
- ABC local radio, Sky News and other emergency broadcasters

Frequently Asked Questions

What is the department's policy?

The Department of Education annually assesses the fire risk of all schools and early childhood services with the support of the Commonwealth Scientific and Industrial Research Organisation (CSIRO). They are allocated a category of risk (categories 0 to 6). Schools and services that are Categories 0-3 are published on the [Bushfire At-Risk Register \(BARR\)](#). Schools at some risk of bushfire and grassfire are published on the [Category 4 List](#).

The department's [Bushfire and Grassfire Preparedness Policy](#) requires all schools and early childhood services on the BARR and the Category 4 List to close when a Catastrophic fire danger rating day is forecast in their fire weather district. All school bus routes which travel in or through a district with Catastrophic fire danger must also be cancelled.

The policy also requires that schools at the highest risk of bushfire (those in Categories 0, 1 and 2 of the Bushfire At-Risk Register) enact pre-emptive action plans based on the fire danger forecast for their Local Government Area (LGA).

Who issues fire danger forecasts?

The Bureau of Meteorology (BoM) provides public fire danger rating forecasts each day of the fire danger period using fire weather district areas. In Victoria, there are 9 fire weather districts, which are based on Local Government Area boundaries.

The department uses these forecasts when supporting schools to enact their pre-emptive bushfire actions plans.

Community

Heathcote Primary School
Respect ~ Learning ~ Teamwork ~ Responsibility

Annual Implementation Plan (AIP) Goal 2: To improve student engagement and wellbeing outcomes

Action: Strengthen the school wide approach to communication with parents/carers/kin, with a focus on communicating how individual learning and wellbeing needs are being identified and supported.

Heathcote Primary School

Private group · 120 members

Heathcote Primary School has a Private Group page on Facebook. If you would like to become a member of the group, search for Heathcote Primary School and request to join. Please answer the questions.

Each request is approved individually. For the safety of our students, there are three questions to ensure that only people directly connected to HPS become members. Requests are usually approved within 72 hours. However, if we are unsure of the connection to the school, there may be a delay whilst we do some research. We may also decline the original request and seek further information. Please don't be offended—our intention is to make sure we can identify each person is directly connected to the school.

Craft Sand Recall

You may have heard about the recent [recall of craft sand products](#) that may contain asbestos.

[National and Victorian health authorities](#) have advised that the possible risk to human health from these products has been downgraded from low to very low.

We have followed advice provided by the Department of Education. We have not located any products at Heathcote Primary School. If we do, we will take the steps set out by the Department of Education to safely collect and store the product, and to arrange for safe disposal. This may involve qualified people attending our school to clean and collect waste.

If you have the product at home, please follow advice from the health authorities.

Stop using the craft sand and follow these steps for safe clean-up and disposal: [enHealth Interim Advice – Asbestos contamination identified in imported coloured sand products](#) | [Australian Government Department of Health, Disability and Ageing](#)

Personal Property Reminder

Heathcote Primary School understands that staff and/or students may sometimes like to bring items of personal property to school.

The Department of Education does not have insurance for personal property of staff, students and visitors. Heathcote Primary School does not take responsibility for items of personal property that are lost, stolen or damaged at school or during school activities. Damage to personal property brought to school is the responsibility of the owner of that property.

Heathcote Primary School encourages staff and students not to bring items of value to school, or to obtain appropriate insurance for such items.

From the Department of Education

Protecting against mosquito-borne diseases

Warm and wet weather can result in greater numbers of mosquitoes and an increased risk of illness from mosquito bites. While the overall risk is currently low, some mosquitoes may be carrying diseases that make people sick.

The best protection against mosquito-borne illness is to avoid mosquito bites.

Families can protect against mosquito bites by:

- covering up as much as possible with long, loose-fitting, light-coloured clothing
- applying insect repellent that contains picaridin or DEET on exposed skin when outdoors
- limiting outdoor activity if lots of mosquitoes are active
- clean up and remove containers and items around the home that may hold water where mosquitoes may breed.

Families with any health concerns should see their doctor or phone NURSE-ON-CALL: 1300 606 024 (available 24 hours).

Free Japanese encephalitis vaccines

Japanese encephalitis virus is spread to humans through bites from infected mosquitoes and can cause a rare but potentially serious infection of the brain.

A free vaccine is available to some individuals to protect Victorians at higher risk of the virus.

For more information, including vaccine eligibility, refer to the Department of Health's [Japanese encephalitis webpage](#).

Find out more

For more information on protecting against mosquito-borne diseases, families can refer to the following Better Health Channel pages:

[Mosquitoes can carry diseases](#)

[Protect yourself from mosquito-borne disease](#), including a handy checklist to help reduce mosquito breeding sites at home and resources translated into other languages.
