Principal's Report

The weeks seem to fly by faster and faster. We are well and truly in the final stretch of the term, still balancing the dual focus of finishing 2025 strongly and finalising plans for 2026. We can confirm that the grade structure for 2026 will be the same as this year. We are planning for:

Foundation x1 class Grade 1/2 x2 classes Grade 3/4 x2 classes Grade 5/6 x2 classes

It is expected that the average class size across the school in 2026 will be 21 students—well below the Department of Education's expectation of a schoolwide average of 26 students per class.

Our specialist program will also remain unchanged with students participating in weekly visual art, performing art, STEM and PE classes. Grade 3-6 students will also participate in the Stephanie Alexander Kitchen Garden program.

We are on track to share final class lists and teacher placements on Monday 8th December.

A group of Grade 1/2 students joined me as principal's helpers as part of their classroom rewards program. It's always a joy to have special visitors and to celebrate their achievements. During their time at the office, one of their tasks was to create 'grocery goody bags'. We are now fully stocked with goody bags looking for their forever home!

Our Christmas Assembly is fast approaching. Classes have been practising their Christmas songs and performances with the finishing touches being added. **In a late change, we have needed to move the Christmas Assembly from the afternoon to the morning.**

This is to accommodate a lengthier assembly—not only do we have performances on the agenda, we will also announce the 2026 student leadership team and the Community Bank will be presenting a scholarship to a lucky Grade 5 student. A full line up of our auction items will also be shared with the auction 'going live' later in the day. With a very full calendar, this will be the last time we gather as a whole school for 2025 due to excursions and incursions.

I am looking forward to a terrific final few weeks as we come together to celebrate a year of hard work through end of year excursions, Foundation and Grade 6 Graduations and enjoy a range of incursions and excursions.

Gardening/Cooking

From vegie patch to plate! Our Grade 3/4 students plucked a cabbage from the garden and found it a very good home...their tummies! Through the Stephanie Alexander Kitchen Garden program, students have the opportunity to grow their own ingredients before using them as part of a meal.

Cooking—Year 5/6

School Wide Positive Behaviour Support

AIP Goal 2: To improve student engagement and wellbeing outcomes
 Action: Introduce School Wide Positive Behaviour Support program

Our expected behaviours matrix is displayed in all learning areas and the main office. Our values cards are earned by students when they demonstrate expected behaviours. Student leaders collect and count the values cards each week at their leadership meeting and all values cards earned in the week are placed in a tub with two winners randomly drawn out at assembly, earning themselves a 'values voucher'.

Congratulations to this week's winners, William D and Masie D.

Expected behaviour:
 We are inclusive

Play time games are the perfect opportunity to make sure everyone is included. This group of Grade 1/2s were enjoying their game on the playground and made sure everyone could play.

Preparing for 2026—Key Transition Dates

Foundation 2026 Transition Program:

- Five sessions, starting Friday 17th October (all dates listed on page 12).

Early October:

- Students and staff reflect on the strengths of Heathcote PS's transition program and identify areas that could be improved. (Family feedback was sought in Term 3 through the Parent/Guardian/Caregiver survey 'positive transition' questions).

Late October and November:

- Multiple opportunities for students to spend time with their 2026 cohort. These sessions will align with the 2026 Foundation transition session dates and times from Thursday 30th October onwards.
- Foundation—Grade 5 students 'step up' into their 2026 year level for the morning and spend time with their new cohort (but not necessarily in their 2026 grade). These experiences provide an opportunity for students to get to know people who might be in their 2026 grade and work with different teachers. Grade 6 students spend the time completing their own transition program along with organising their graduation.

November:

- Students asked to nominate five friends they would like to have in their 2026 grade. Students will be guaranteed at least one person from their list (but not necessarily all five). Families invited to complete this list with their child/ren. **DUE: 21/11/25**
- Families invited to complete a 'Get to Know....' one page profile about their child/ren. These will be shared with 2026 classroom teachers before the statewide Transition Day on 9th December. **DUE: 21/11/25**
- Share transition information (both within HPS and between primary and secondary schools, kindergartens and HPS)

December:

- **Monday 8th December:** Students find out their 2026 class and teacher/s.
- **Tuesday 9th December:** All students spend the day in their 2026 grade with their classmates and teacher/s. Grade 6 students (Year 7 in 2026) attend a statewide transition day at government secondary schools.

Heathcote Primary School Foundation 2026 Transition Program

Inviting all 2026 Foundation students to join us for a series of transition visits as part of preparing for future school life.

Transition

Heathcote Primary School
Respect ~ Learning ~ Teamwork ~ Responsibility

Our Transition Program is in full swing to help prepare students for school life in 2026. As described on page 11, there are additional processes and opportunities for student and family input. The information below was sent home last week along with hard copies of the 'Get to Know' and 'Friendship Hand' documents. Information was also shared with students at assembly on Friday 14th November 2025.

Families are invited to please complete the 'Get to Know....' student profile and return to school by Friday 21st November.

The purpose of this document is to provide an opportunity for families to share key pieces of information with their child's 2026 teacher/s before the statewide transition day on Tuesday 9th December. This information will be discussed early in Term 1 at a partnership meeting between home and school (similar to the Partnership Powwow meetings in 2025).

An electronic copy will be shared via Compass. Please use whichever version suits you best. For any copies completed electronically, please email to carolyn.crowther@education.vic.gov.au

Families are invited to work with their child/ren to complete the Friendship Hand. This is an optional task that your child/ren can complete. The information will be used to help inform grade placement. **Please note that students will be placed with at least one person from their hand. It is highly unlikely that students will be placed with all five people.**

Forms are OVERDUE

Additional copies of the forms are available from the office. Thank you for the forms that have already been returned.

Coming Soon! Heathcote Primary School Online Silent Auction

HPS is holding an online auction. It will be launched on Friday 5th December at the Christmas Concert and run until Friday 12th December. The Auction is to raise money to acquire wonderful new resources for our school. We also hope that it helps people with their Christmas shopping! All successful bidders will be notified from Monday 15th December 2025.

If anyone in the community would like to make a donation, please contact the school via email heathcote.ps@education.vic.gov.au. If you are a business, please include your logo and website so that we can publicly thank your business in our school newsletter and on the school Facebook page.

Any donations will be very much appreciated.

Thankyou,

HPS Auction Committee

Heathcote Primary School Online Silent Christmas Auction

We've been blown away with generous donations already received for the silent auction. The auction 'goes live' on Friday 5th December.

Thank you to the businesses below for their kind support. More businesses will be added in coming days. If you have an opportunity to do so, please support the businesses that support us.

Yard Supervision

The school yard is supervised from 8:45am until 9am. There is an announcement at 8:45am to signal classroom doors are open. Students are able to put their bags in their room, complete any before school routines and monitor jobs before heading back outside to play. The hospital end of the oval and playground are out of bounds before school.

After school, staff are on bus and crossing duty (which includes carpark duty in the main carpark). The main yard is not supervised. Any students who have not been collected by 3:15pm are taken to the office.

After school care is available through Trinity Academy. A bus from Heathcote PS drops after school care passengers at Trinity. For bookings, please contact Trinity Academy on [\(03\) 4411 6803](tel:0344116803)

Breakfast Club

Tuesday & Friday

8:40am—8:55am

HPS Kitchen

Toast, cereal, milk, fruit available

From September to April, everyone needs to wear a plain coloured, broadbrimmed hat when they are outside. This is part of our SunSmart policy. If you need a hat, the office has got you covered...literally! School hats can be purchased from the office for \$10.

Basketball Clinic

Tuesdays

Weeks 6, 7, 8 & 9

All students will have the opportunity to participate in a basketball clinic as part of PE lessons. This opportunity comes to us through the sporting schools grant (and Mrs Skipper who has organised it for us all—thank you!)

Newsletter and website article: Schools in Category 3 on the Bushfire At-Risk Register and the Category 4 List

This article has been developed by the Department of Education for schools to publish in their newsletter and school website.

This information has been developed to answer frequently asked questions regarding the Bushfire At-Risk Register (BARR) and Category 4 list and our school's closure on a Catastrophic fire danger day in your fire weather district.

School preparations for the bushfire season

Each year, we undertake a range of activities to ensure the safety of our school and to prepare for bushfires and grassfires.

An important part of this process is communicating to parents what will happen when certain fire danger ratings are issued to help ensure the safety of students and staff.

Our school has been identified as being at risk of bushfire or grassfire and is a **Category 3 school.**

Our school will **close** on a day forecasted as **Catastrophic fire danger rating** in **Northern Country fire district**.

Closure of the school due to a Catastrophic fire danger rating will be enacted when the Bureau of Meteorology forecast and related public safety messaging are confirmed. Due to uncertainties in the forecast, the timing of this confirmation may vary. Information regarding potential or confirmed Catastrophic fire danger days will be communicated to you by **Compass and post on the school's private Facebook group**.

It is also important to be aware that:

- No one will be on site on days where the school is closed due to a forecast Catastrophic day.
- All bus routes that travel through the Catastrophic area will be cancelled.
- School camps will be cancelled if a Catastrophic fire danger rating day is forecast for fire weather district in which the camp is located, or if the travel involves passing through areas that have Catastrophic fire danger.

As part of preparing our school for the fire season, we have updated and completed our Emergency Management Plan which includes an identified 'Shelter in Place' location if needed. We have also continued to maintain the school grounds to reduce the fuel load.

What can families and the school community do to help us prepare?

- Ensure we have your current contact details, including your mobile phone numbers.

- Keep in touch with us by reading our newsletters, checking our [website](#), by talking to your child's teacher or any other member of the teaching staff about our emergency management plan.
- Make sure your family's bushfire survival plan is up-to-date and includes alternative care arrangements if our school is closed due to Catastrophic fire danger. Further information can be found on the [CFA's website](#).
- Action your family's bushfire survival plan if your own triggers are met. Our school community may be spread out across many areas and some families may be at higher risk than others. Your family's safety is critical, so please let us know if you are actioning your bushfire survival plan and if your children will be absent on these days.
- If your child is old enough, talk to [them about bushfires](#) and your family's bushfire survival plan.

Families are encouraged to action their [Bushfire Survival Plan](#) on Catastrophic fire danger rating days in their district. The safest option is to leave the night before or early on the morning of the Catastrophic day. **On such days, children should never be left at home alone or in the care of older children.**

Frequently Asked Questions

What is the department's policy?

The Department of Education annually assesses the fire risk of all schools and early childhood services with the support of the Commonwealth Scientific and Industrial Research Organisation (CSIRO). They are allocated a category of risk (categories 0 to 6). Schools and services that are Categories 0-3 are published on the [Bushfire At-Risk Register \(BARR\)](#). Schools at some risk of bushfire and grassfire are published on the [Category 4 List](#).

The department's [Bushfire and Grassfire Preparedness Policy](#) requires all schools and early childhood services on the BARR and the Category 4 List to close when a Catastrophic fire danger rating day is forecast in their fire weather district. All school bus routes which travel in or through a district with Catastrophic fire danger must also be cancelled.

The policy also requires that schools at the highest risk of bushfire (those in Categories 0, 1 and 2 of the Bushfire At-Risk Register) enact pre-emptive action plans based on the fire danger forecast for their Local Government Area (LGA).

Who issues fire danger forecasts?

The Bureau of Meteorology (BoM) provides public fire danger rating forecasts each day of the fire danger period using fire weather district areas. In Victoria, there are 9 fire weather districts, which are based on Local Government Area boundaries.

The department uses these forecasts when supporting schools to enact their pre-emptive bushfire actions plans.

Heathcote Primary School has a Private Group page on Facebook. If you would like to become a member of the group, search for Heathcote Primary School and request to join. Please answer the questions.

Each request is approved individually. For the safety of our students, there are three questions to ensure that only people directly connected to HPS become members. Requests are usually approved within 72 hours. However, if we are unsure of the connection to the school, there may be a delay whilst we do some research. We may also decline the original request and seek further information. Please don't be offended—our intention is to make sure we can identify each person is directly connected to the school.

Volunteers Wanted

Can you help?

Do you think you could help decorate the stage, help bring chairs over for the band, help Santa hand out lollies? We have a list of simple tasks like this that we need help with.

Many hands make light work! Please email heathcotechristmas-carols@gmail.com if you are able to lend a hand and would like to see the list of tasks.

Thanks, Mariah

We have some goody bags filled with groceries that are looking for their forever homes.

Please drop into the office to collect a bag.

Craft Sand Recall

You may have heard about the recent [recall of craft sand products](#) that may contain asbestos.

[National and Victorian health authorities](#) have advised that the possible risk to human health from these products has been downgraded from low to very low.

We have followed advice provided by the Department of Education. We have not located any products at Heathcote Primary School. If we do, we will take the steps set out by the Department of Education to safely collect and store the product, and to arrange for safe disposal. This may involve qualified people attending our school to clean and collect waste.

If you have the product at home, please follow advice from the health authorities.

Stop using the craft sand and follow these steps for safe clean-up and disposal: [enHealth Interim Advice – Asbestos contamination identified in imported coloured sand products | Australian Government Department of Health, Disability and Ageing](#)

Personal Property Reminder

Heathcote Primary School understands that staff and/or students may sometimes like to bring items of personal property to school.

The Department of Education does not have insurance for personal property of staff, students and visitors. Heathcote Primary School does not take responsibility for items of personal property that are lost, stolen or damaged at school or during school activities. Damage to personal property brought to school is the responsibility of the owner of that property.

Heathcote Primary School encourages staff and students not to bring items of value to school, or to obtain appropriate insurance for such items.
